CONTENTS

SECTION A—VOL. XII

No. 1—July, 1940

PAGE

Experiments on the Synthesis of Compounds Related to Cinchonine and Quinine . . . . . B. K. NANDI 1

On Decimals of Irrational Numbers . . . . T. VIJAYARAGHAVAN 20

The Kinetics of Mutarotation of Oxymethylene-*d*-Camphor—Part II . . . . . BAWA KARTAR SINGH AND M. K. SRINIVASAN 21

On Waring's Problem $g(6) = 73$ . . . . . S. S. PILLAI 30

Waring's Problem with Indices $\geqslant n$ . . . . . S. S. PILLAI 41

Studies in the Friedel-Crafts Reaction. Part V. The Action of Acetic Anhydride and Benzoyl Chloride on β-Methyl Resorcylate . . . . . R. D. DESAI AND (MISS) K. S. RADHA 46

Measurement of Point Discharge Current During Disturbed Weather at Colaba . . . . . M. W. CHIPLONKAR 50

On the Absolute Weight of an Integer . . . . HANSRAJ GUPTA 60

A Note on Gupta's Previous Paper . . . . . S. S. PILLAI 63

Alteration of Tremolite to Talc in the Dolomite Marbles of Yellandu, Warangal District (Hyderabad, Dn.) . . . . N. JAYARAMAN 65

Some Results Involving Angelescu's Polynomial $\pi_n(x)$ N. A. SHASTRI 73

Quantum Theory of X-Ray Reflection and Scattering. Part I. Geometric Relations . . SIR C. V. RAMAN AND DR. N. S. NAGENDRA NATH 83

Analysis of the Raman and Infra-Red Spectra of α-Quartz . . . . . BISHAMBAR DAYAL SAKSENA 93

No. 2—August, 1940

His Late Highness Maharaja Sri Krishnaraja Wadiyar Bahadur, G.C.S.I., G.B.E. . . . . .

Reflection of X-Rays with Change of Frequency. Part IV. Rock-Salt . . . . . SIR C. V. RAMAN AND DR. P. NILAKANTAN 141

PAGE

Studies on the Dependence of Optical Rotatory Power on Chemical Constitution. Part XVIII. The Rotatory Dispersion of Stereoisomeric 3. nitro-*o*-toluidino-, 5. nitro-*o*-toluidino-, 2:3-toluylenebisamino- and 2:5-toluylenebisamino-methylenecamphors . . . . . BAWA KARTAR SINGH AND AVADH BEHARI LAL 157

On Normal Numbers . . . . . S. S. PILLAI 179

Molecular Structure of Some Selenium Compounds Determined by Magnetic Method . . . MATA PRASAD AND S. S. DHARMATTI 185

On a Linear Diophantine Equation . . . . . S. S. PILLAI 199

On Waring's Problem with Powers of Primes . . . S. S. PILLAI 202

A Theorem on Normal Rectilinear Congruences . . RAM BEHARI 205

The Young's Modulus of Diamond . . . . P. RAMA PISHAROTY 208

Molecular Structure of Some Tellurium Compounds Determined by Magnetic Method . . . . . S. S. DHARMATTI 212

A Property of Integral Functions with Real Roots and of Order less than Two . . . . . K. S. K. IYENGAR 223

Studies on the Dependence of Physiological Action on Chemical Constitution. Part I. Difference in Odour of *d*-, *l*-, and *dl*- Derivatives of Amino- and Bisamino- Methylenecamphors . . . . . BAWA KARTAR SINGH AND AVADH BEHARI LAL 230

No. 3—September, 1940

Measurement of Opacity during the Coagulation of the Concentrated Sols of Zirconium and Stannic Hydroxides and the Gelation of Stannic Phosphate and Zirconium Hydroxide Gel-forming Mixtures . . . . MATA PRASAD AND K. V. MODAK 235

Pressure under a Flush Floor with Inclined Sheet Piles . . . . . GURDAS RAM AND V. I. VAIDHIANATHAN 245

Chemical Examination of the Essential Oils derived from *Anethum soa* Roxb. Oil from the Green Herb and the Seeds . . . . . BRAJ KISHORE MALAVIYA AND SIKHIBHUSHAN DUTT 251

Action of Phosphorus Halides and Thionyl Chloride on Benzilic Acid . . . . . S. A. SETLUR AND V. V. NADKARNY 266

A Note on the Negative Pressure and Moisture Content of a Punjab Soil . . . . . D. C. MIDHA 270

PAGE

Chemotherapy of Bacterial Infections. Part III. Synthesis of (N^4)-Amino-substituted Heterocyclic Derivatives of Sulphanilamide . . . . . K. GANAPATHI 274

The General Rational Solution of Some Diophantine Equations of the Form $\sum_{r=1}^{k+1} A_r x^n_r = 0$ . . . . . T. VIJAYARAGHAVAN 284

The Kinetics of the Olefin-Bromine Reaction. Part I. The Dark Reaction in Acetic Acid Solution . . . . . S. V. ANANTHAKRISHNAN AND R. VENKATARAMAN 290

The Kinetics of the Olefin-Bromine Reaction. Part II. The Critical Increment of the Reaction in Acetic Acid . . . . . S. V. ANANTHAKRISHNAN AND R. VENKATARAMAN 306

Raman Spectra and Hydroxyl Frequencies of Some Fatty Acids . . . . . BISHAMBHAR DAYAL SAKSENA 312

The Raman Spectra and the Molecular Structure of Some Aliphatic Cyclic Compounds: (Cyclohexane, Cyclohexanol, Cyclohexanone, Dioxane and Paraldehyde) . . . BISHAMBHAR DAYAL SAKSENA 321

Modified Reflection of X-Rays by Crystals: Calcite . . . . . S. BHAGAVANTAM AND J. BHIMASENACHAR 337

No. 4—October, 1940

Effect of Temperature on the Ultrasonic Velocity in Liquids . . . . . V. SURYAPRAKASAM 341

Some Properties of Rectilinear Congruences . C. N. SRINIVASIENGAR 350

Sulphuryl Iodide . . . . . M. R. ASWATHA NARAYANA RAO 354

Heterocyclic Compounds. Part XI. The Application of the Pechmann and the Kostanecki Reactions to γ-Orcacetophenone . . . . . R. D. DESAI AND (MISS) V. M. VAKIL 357

Diamagnetism of Phosphorus . . . . . S. RAMACHANDRA RAO AND S. ARAVAMUDACHARI 361

Chemical Investigation of Indian Fruits. Part II. The Composition of the Oil from the Seeds of Indian Shaddock . . . . . C. J. DASA RAO, T. R. SESHADRI AND J. VEERARAGHAVIAH 367

Occurrence of Herbacetin in the Flowers of the Indian Tulip *(Thespasia populnea)* . . . . . P. SURYAPRAKASA RAO AND P. PRABHAKARA REDDY 372

PAGE

A Note on Certain Constitutional Factors Controlling Visible Fluorescence in Compounds of the Benzo-Pyrone Group . . . . . S. RANGASWAMI AND T. R. SESHADRI 375

Secondary Electron Emission of Nickel at the Curie Point . . . . . P. S. VARADACHARI 381

Studies in the Friedel-Crafts Reaction, Part VI. Further Evidence for γ-Substitution in the Resorcinol and Orcinol Derivatives . . . . . R. D. DESAI AND (MISS) V. M. VAKIL 391

On the Existence of a Metric for Path-Spaces of Order Two . . . . . V. SEETHARAMAN 399

On a Table of Values of L *(n)* . . . . . HANSRAJ GUPTA 407

Selenium Iodide . . . . . M. R. ASWATHA NARAYANA RAO 410

Raman Spectra of Some Esters of Di-Carboxylic Acids. Oxalyl Chloride, Ethyl- and Methyl-Oxalate, Ethyl Malonate, Ethyl Phthalate, Ethyl Fumerate, Ethyl Maleate and Oxalic Acid . . . . . BISHAMBHAR DAYAL SAKSENA 416

No. 5—November, 1940

The Two Types of X-Ray Reflection in Crystals . . . . . SIR C. V. RAMAN AND DR. N. S. NAGENDRA NATH 427

The Localisation of the Discharge in Ordinary and Canal Ray Tubes . . . . . V. T. CHIPLONKAR 440

Raman Spectrum of Sulphur . . . . . K. VENKATESWARLU 453

On the Expansion of an Arbitrary Function in a Series of Eigenfunctions of Boundary Value Problems . . S. MINAKSHISUNDARAM 462

Chemical Investigation of Indian Lichens. Part I. Chemical Components of *Roccella montagnei* . . . . . V. SUBBA RAO AND T. R. SESHADRI 466

Wax from *Butea frondosa* Flowers . . . . . P. BHASKARA RAMA MURTI AND H. KRISHNASWAMY 472

Occurrence of Free Butein and Butin in the Flowers of *Butea frondosa* . . . P. BHASKARA RAMA MURTI AND T. R. SESHADRI 477

Scattering of Polarised Light in Colloids . . . DARBARA SINGH 481

Transverse Vibrations of Triangular Membranes . . B. R. SETH 487

New Bands in the Triplet Carbon System . . . . R. K. ASUNDI 491

PAGE

No. 6—December, 1940

Methylation of Hydroxy Flavonols using Methyl Iodide and Potassium Carbonate . . . . . P. SURYAPRAKASA RAO, P. PRABHAKARA REDDY AND T. R. SESHADRI 495

Chemical Investigation of Indian Lichens. Part II. Synthetic Uses of Some Lichen Acids .. V. V. KUMARA SASTRY AND T. R. SESHADRI 498

Studies in Naphthalene Series. Part V. The Properties of 2-Stearyl-, 2-Palmityl-, and 2-Lauryl-1-naphthols and Synthesis of 2-Octadecyl-, 2-Hexadecyl- and 2-Dodecyl-1-naphthols . . . . . R. D. DESAI AND W. S. WARAVDEKAR 507

On the Continuous Emission Spectra Associated with Electric Discharges through Flowing Vapours of $SnCl_2$, $SnCl_4$ and $SiCl_4$ . . . . R. K. ASUNDI, S. MUJTABA KARIM AND R. SAMUEL 513

Paper Pulp from Annual Crops. Part I. Rice Straw . . . . . P. BHASKARA RAMA MURTI AND T. R. SESHADRI 519

An Infinite Series Involving the Product of Bessel Functions and Generalised Laguerre Polynomials . . . . R. S. VARMA 532
